

STOP AN UPRISING

Col. Morin Would Have Fomented Mexican Revolt.

Planned to Cut Wires and Attack Texas Towns.

San Antonio, Tex., May 12.—Federal officials declare they have penetrated plots for an uprising of Mexicans in southwestern Texas by the arrest at Salspico of Colonel Jose M. Morin, a former Villa chieftain.

Morin, it is asserted, was sent to Texas by Villa to organize a revolt. The proposed uprising was along the lines of the old "plan of San Diego," which contemplated the capture by Mexicans of Texas, Arizona and New Mexico. Morin's followers consisted of the most ignorant class of Mexicans, who, it is said, had been led to believe that the retaking of a large section of American territory along the border was easily possible.

To Take Many Towns. According to the information furnished to federal officials, uprisings were planned to take place in San Antonio, Kinrossville, Brownsville, Falfurrias, San Marcos, Calaveras, Falls City and Poth.

It is alleged that Morin had about a thousand subordinates scattered over Texas. When the word was given, telegraph and telephone lines were to be cut, railroads destroyed and towns attacked.

Rumors have been current on the border that such an uprising was to take place on May 10. The day passed, however, without any disturbances. Morin was watched. He left San Antonio on Monday night. Special Agent Howard P. Wright and United States Marshal Hanson boarded the same train when Morin started to get off at Salspico they arrested him. He was armed and resisted, but was overpowered.

It is declared that papers in Morin's pockets contain proofs of the plot and names of some of the leaders. Other arrests are expected.

PEACE A SIDE ISSUE

Only Central Powers Talk It: War to the Hilt Is Popular Claim.

New York, May 12.—Samuel S. McClure, the publisher who arrived from Copenhagen last night on the steamer Oscar II, said that he found a sentiment for peace only in Germany and Austria.

"I have visited all the belligerent nations and did not find a suggestion of peace except in those two countries where the people desire it for commercial reasons only," said Mr. McClure. "By that I mean they wish to establish relations with other nations, not that they fear defeat."

"The English, French, Russians, Belgians, Italians, Germans, Austrians, Hungarians, Bulgarians and Turks all are confident of victory for their respective armies and determined to fight to the end."

DOG, LONE SURVIVOR

Pet of Lost Ship's Captain Adrift, Sole Occupant of Life Raft.

Houghton, Mich., May 12.—Members of the Pacific Harbor coast guard yesterday rescued from a life raft the pet bulldog of Captain David Girardin, who was lost with 18 of his crew when the vessel sank off Keweenaw Point, Lake Superior, Monday.

The dog, half wild from his long exposure, sprang from the boat as soon as it reached shore and disappeared into the woods.
